

TEAM – ROLF VAN HAREN

NAME: Rolf Van Haren

CORE COMPETENCY: Entrepreneurship & Digitization / Business Coaching

Bringing the world of personal development, entrepreneurship and innovation together on a all-in-one solution for enterprises and ecosystems which value personal growth as much as business growth. Our platform running on an award winning AI is the scalable version of those things I like as a professional and if asked others, I seem to be good at. Doing innovation Being the change that is the essence of the process which I facilitate. I love coaching professionals in their potential in regard of their manifestation in the business context. My skills differ from NLP to Systemically forms of coaching.

COMPETENCIES & FUNCTIONS

15 years Business Coach

10 years Management team and directors coaching

8 years Innovation facilitator (Lean start-up/Design Thinking)

3 companies, 1 exit in 12 years Entrepreneurship

TEACHERS

To much to write down, every phase has its own, but essential for my growth were: Corry van Zandwijk, Peter Dalmeijer, Sujith Ravindran and from the beginning Michel Disveld.

VALUES

Sustainability, integrity, openness, willingness to learn, heart, keep-on-moving

PURPOSE

My purpose / Calling is to enable people to engage from their strength or there ambition of growth to the topics which have a bigger context, a bigger impact.
